Job Posting / Advertisement

Position: **Locomotive Operators/Engineer/Switchperson** - responsible for providing safe and efficient locomotive operation and rail car switching services in a fast paced, team-environment on our shortline railroad in Fruitvale, BC.

Duties:

- Be willing to work a varying schedule on a part time basis (approximately 3-4 days/week) as both a Locomotive Operator or Switchperson
- Ensuring safe operation of the locomotive and train movements
- Applying rules, special instructions, and switching procedures while operating as a locomotive operator or Switchperson including operating switches and derails, coupling and uncoupling rail cars, managing air hoses, applying and releasing handbrakes
- Completing regular inspection and testing of the locomotive brakes and safety devices
- Completing daily reports, daily logs, and other reports deemed necessary
- Complying with all applicable operating rules, switching procedures and regulations; practicing and promoting safe work habits
- Promptly reporting of all safety, equipment, and track problems
- Actively participating with the team and providing excellent customer service while promoting a superior company image
- Participating in training or company initiatives as required
- Be able and willing to work in all weather conditions

Qualifications:

- Experience as a locomotive operator or switchperson
- Industrial Railways Operation Certification is an asset, but not required
- Excellent teamwork and customer service skills
- Ability to read and write general documentation including safety briefings and switching lists
- Physically fit including the ability to pull self-up and down from a railcar on a continuous basis, able to lift and twist air hoses, able to secure rail car brakes, derails, and switches
- Strong problem solving and decision making abilities
- Ability to obtain certification and medical clearances required to perform the role

To Apply:

**PO Box 460, Fruitvale, BC, Canada V0G 1L0
T: 250 367.9441 • F: 250 367.6210**

- Please send your resume to info@atcwoodproducts.com or by mail to the Nelson & Ft. Sheppard Railway Co. Ltd., Box 460, Fruitvale, BC V0G 1L0.
- Resumes must be received by September 23, 2019.
- No phone calls please. We will contact all candidates to be interviewed.
- Salary and benefits are negotiable based on experience and within Company compensation policies.
